Oh Mrs. Laura, the chocolates are to die for. The box (I shared this time of course ☺) was gone about 15 minutes after I got it. Patrick was really really surprised when he saw the Godiva basket on his desk and to be honest we don't get a lot of stuff from people and it makes us feel good. I wanna let you know I absolutely enjoy not only Onsite as a vendor but your people are amazing. So nice to develop a relationship with Mark and Rachel and yourself. It's one thing to call and do business but it's another to develop a relationship. From the very moment that I emailed Rachel and she emailed me back (misquoted by the way ☺) to the cutting up and bs with Mark I knew you were good people. I want to thank you for not only your kind gesture with the chocolate but for the fine people that I interact with (almost daily now) and are the true face and reflection of your company. Thank you for your kindness and I hope this is the start of a great relationship for us all.
